Approved by the Faculty Senate
XXXXXX

BRIEF SUMMARY: This bill specifies the procedure portion of the existing *Faculty Handbook* section on *University Standing Committees and Councils* (Chapter 1, Section G5).

**REVISING “UNIVERSITY STANDING COMMITTEES AND COUNCILS” TO
ESTABLISH A PROCEDURE SECTION**

BE IT RESOLVED THAT, subject to the passage and approval of both this bill and its companion bill establishing a corresponding “policy” section, and subject to the addition of the list of University Standing Committees and Councils to the President’s Office website, and subject to moving subsection y on “Review Committees” to Chapter 5, Section B1 of the *Faculty Handbook*, Chapter 1, Section G5 of the *Faculty Handbook* be amended by replacing the existing content with the following “procedure” section (with the companion “policy” to precede it in the *Handbook*):

University Standing Committees and Councils:

Procedures *Faculty Senate Bill 20-A-X begins here.*

The University President’s Office will publish the list of all current University Standing Committees and Councils on its website (<http://www.semo.edu/president/committees-and-councils.html>), including charge, current members and chair of each committee and council. If there are any changes to the charge, membership, or reporting relationship of any University Standing Committees or Councils, the University President or their designee will notify the Chair of Faculty Senate in a timely manner.

Membership on University Standing Committees

The University President should determine the number of faculty, administrative, and student members who should serve on University Standing Committees and Councils. Should faculty senate executives feel that there is insufficient faculty representation on a committee or that a particular college or Kent Library does not have sufficient representation, they should discuss this concern with the University President or their designee to improve representation. Should

that fail, Faculty Senate could bring a resolution setting forth what they believe to be sufficient representation.

The Faculty Senate Membership Committee will nominate at minimum two faculty members for each vacancy on University Standing Committees to the University President or their designee who will select faculty to serve as appropriate on the various committees and councils.

Faculty members should normally not serve on more than one University Standing Committee at a time. However, a faculty member may be appointed to a second University Standing Committee if the faculty member has special expertise necessary for effective committee functioning. Faculty Senators may be appointed to only one University Standing Committee while serving on the Faculty Senate.

Appointment Process for University Standing Committees

The University President's Office shall notify the Faculty Senate Membership Committee by the third Monday in March about changes in faculty membership on University Standing committees, other than that which occurs through normal faculty rotation.

The Faculty Senate Membership Committee should notify faculty of available positions on University Standing Committees by the first Wednesday in April. Faculty should indicate interest in serving on specific committees to the Membership Committee by the third Wednesday in April.

The Faculty Senate Membership Committee (which is formed during the Faculty Senate organizational meeting) should form its recommendations by the third Wednesday in June. Appointments take effect at the beginning of the Fall semester. Notification of appointments to the University Standing Committees should be made prior to the beginning of the Fall semester.

Chairs of University Standing Committees should notify the Membership Committee when unexpired faculty positions on committees open during the academic year. The Membership Committee will recommend replacement members through appropriate channels from available faculty applicants. If appointed, the replacement faculty will complete the term of the vacated faculty position.

Removal of Faculty Members from University Standing Committees

Any recommendation for removal will be presented to the Faculty Senate for action. By a majority vote, the Senate may recommend to the University President that members be removed from University Committees. Replacements for faculty members who are removed from committees will be made through the established procedures for filling vacancies.

Chairs of University Standing Committees

The University President has the discretion to appoint Chairs of University Standing Committees if necessary (after full committee membership has been established).

AD HOC COMMITTEES

Ad Hoc Committees, task forces, and commissions should be utilized to handle specific, short-term issues. These bodies may be appointed and charged by the Faculty Senate (e.g., Ad Hoc Faculty Senate Committees) or by the University President (e.g., Ad Hoc University Standing Committees). When a long-term issue arises, an attempt should be made to find an existing Committee which may handle the issue appropriately within its existing charge. Only as a last resort should a new committee or council be charged.
